As to the following nominated thesis for ICSOS2009, I hereby confirm that it has never been published in or is not contributing to other magazine and so on. And, if the thesis will be carried by an ICSOS magazine, I agree to transfer its copyright to ICSOS on the conditions stated below. If the thesis was coauthored, I agree to this Agreement on behalf of the coauthor(s).

1. Author retains all proprietary rights in any process, procedure, or article of manufacture described in the thesis.
2. Author may reproduce or authorize others to reproduce the thesis, material extracted verbatim from the thesis, or derivative works for the author's personal use or for company use, provided that the source and the ICSOS copyright notice are indicated, the copies are not used in any way that implies ICSOS endorsement of a product or service of any employer, and the copies themselves are not offered for sale.
3. Author may make limited distribution of all or portions of the thesis prior to publication if he/she informs ICSOS in advance of the nature and extent of such limited distribution.
4. For all uses not covered by items 2 and 3, author must request permission from ICSOS to reproduce or authorize the reproduction of the thesis or material extracted verbatim from the thesis, including figures and tables.
5. Although author is permitted to re-use all or portions of the thesis in other works, this does not include granting third-party requests for reprinting, republishing, or other types of re-use. ICSOS must handle all such third-party requests.

Please sign and date below. The sealing is unnecessary. After that, please send this form to ICSOS Secretariat (icsos@prime-intl.co.jp) with abstract by e-mail.
