PLEASE NOTE: To be published in the IEEE ICSOS 2011 Conference Proceedings and IEEE Xplore®, at least one Author of an accepted paper is required to register for the conference at the Member or Non-Member rate (even if the author is a student) and the paper must be presented at the conference. Non-refundable registration fees must be paid prior to uploading the final IEEE formatted, publication-ready version of the paper. For authors with multiple accepted papers, one full registration is valid for up to three (3) papers. Please do not share your registration confirmation code with anyone else. Although the code enables submission of up to three papers, it can only be used once, by you, to create an Author account. IEEE reserves the right to exclude a paper from distribution after the conference (e.g., removal from IEEE Xplore) if the paper is not presented at the conference. Student and Life Member registration is not valid as an author registration. Each paper must be ten (10) pages or less. No additional pages can be purchased.
