

IEEE ICSSOS 2011

DATE : May 11-13, 2011 VENUE : Le Merigot Marriott , Santa Monica, California, USA

SCHEDULE

Abstract Submission due: December 1, 2010
Acceptance Notification: February 1, 2011
Final Paper due: April 5, 2011

Conference: May 11-13, 2011

Wednesday (May 11): Day 1 of the conference
Thursday (May 12): Day 2 of the conference
Dinner/reception
Friday (May 13): JPL tour in the morning

SCOPE

The scope of this conference is technologies, procedures and algorithms that relate to free-space optical systems, with emphasis on laser communications. The domain of the applications includes terrestrial, near-Earth and deep space (planetary). Areas of interest include: components, subsystems, systems (flight and ground), devices, applications, laboratory and field demonstrations, algorithms, link models, signaling techniques and concept of operations.

COMMITTEE

Organizing Committee (OC)

General Co-Chair: Dr. Faramaz Davarian (JPL, US)
General Co-Chair: Dr. Naoto Kadowaki (NICT, Japan)
Co-Vice chair: Dr. Hamid Hemmati (JPL, US)
Co-Vice chair: Dr. Ryutaro Suzuki (NICT, Japan)
Advisor: Prof. Tadashi Takano (Nihon University, Japan)
Members: Dr. Zoran Sodnik (ESA, The Netherland)
Mr. Hiroo Kunimori (NICT, Japan)
Dr. Yoshihisa Takayama (NICT, Japan)
Dr. Yozo Shoji (NICT, Japan)
Dr. Morio Toyoshima (NICT, Japan)
Prof. Alwyn Seeds (UCL, UK)

Technical Program Committee (TPC)

Chair: Dr. Hamid Hemmati (JPL, US)
Vice chair: Dr. Ryutaro Suzuki (NICT, Japan)
Members: Dr. Peter Kinman (CSUF, US)
Dr. Mazen Shihabi (JPL, US)

Local Organizing Committee (LOC)

Dr. Faramaz Davarian (JPL, US)
Ms. Marjorie Burris (JPL, US)
Steering Committee (SC)
Dr. Morio Toyoshima
Dr. Hamid Hemmati
Dr. Peter Kinman
